CHICAGO FIRE MLS PLAYER

## MEET JONATHAN BORNSTEIN

Jonathan is a competitive, easy going guy who constantly likes to learn new things and spend time with his family. He is very dedicated to his career, taking care of his well being and his family's well being, and trying to make the people around him better. He thinks he has a lot to give back because he was given so many great things throughout his life.

From the time he was in high school, Jonathan learned how important it was to be a great teammate and to never believe the people who don't believe in you. He had a successful college career at Cal Poly Pomona, UCLA and then played professionally for Chivas USA in the MLS. He spent 5 seasons in the league where he was named Rookie of the Year, MLS Best XI, three time all star.

After a life-altering international move playing in Mexico's premier division Liga MX, Jonathan played for the Israeli Premier League briefly before making his way back to the U.S. playing for Chicago Fire in 2019.
